Academic Load

Each course carries a weightage in terms of credits depending upon the academic load which, in turn, is determined by the number of contact hours (lectures and tutorials), laboratory hours (if applicable) and additional hours that a student is expected to devote per week. Under CBCS Scheme, the student is expected to register for such number of credits or subjects as specified in CBCS regulations framed and adopted by the University.

A student may, however, be permitted by Dean Academic Affairs as recommended by the HOD of the concerned Department to take an extra course to (i) clear backlogs, or (ii) improve Grade Point Average, if it is required to meet the minimum academic requirements.

The university may allow change of branch in third semester subject to the availability of seats in specific branches, satisfying minimum CPI requirement and pre-requisite fulfilment as decided by the Academic Council from time to time.

Students who have any subject backlog in regular session will have an opportunity appear in summer semester as per following system:

Students who appeared/were allowed to appear in final exam but failed the subject – Can register for summer exam by paying the fee as prescribed from time to time and straightaway appear for the exam. If they also wish to attend classes, they can pay total fee as prescribed from time to time and do so.

Students who were debarred due to shortage of attendance (if attendance in the subject is between 40% and 75%) – Can register in summer semester by paying as prescribed from time to time per subject, will have to attend classes for 5-6 weeks and appear for mid-term and final exam during summer semester.

Students admitted in the programs shall be awarded letter grades 'P' and above provided they have secured at least 30% marks in end-semester/ summer semester examinations. The final grades shall be based upon their performance in examinations (80% marks) and work carried out during the semester/summer term in the form of assignments, presentations, quizzes etc., the details of which will be

(f) Change of Grade Already Awarded

A letter grade once awarded shall not be changed unless a representation is made by either the student or the faculty who taught that course to the Dean-Academic Affairs through the HOD. All such cases will be considered by the Dean-Academic Affairs who will recommend the change of grade(s), if any, specifying the reasons for the same to the Vice-Chancellor. The Vice-Chancellor will consider the recommendations on their merit and take a decision.

(g) Challenge Evaluation

Intimation of the happening shall be given to Centre Superintendent directly or through Flying Squad, who may permit that student to continue to write the examination, after completion of the necessary formalities.

After the examinations are over, the Committee constituted to look into cases of unfair means and misconduct during examinations will consider the student's intention as well as behaviour. After examining the facts of the case and statement of the student and the concerned invigilator, the committee shall recommend suitable punishment which may be from a minimum of declaring the student to have failed in that one particular examination to declaring him as having failed in that entire semester/ summer term. The intensity of punishment shall increase with repeat occurrence of UFM/ Misconduct by the same examinee. The Vice-Chancellor will consider the recommendations of the Examination Committee and take a decision.

The student held guilty of using UFM/ Misconduct during any examination of a subject shall be awarded only grade 'P' in theory and 'C' in practical whenever declared pass in the subject and will not be permitted to repeat this subject to improve his grade in the subject.

13. Semester Performance Index(SPI):

The SPI shall be a weighted average of the grade points earned by a student in all the courses he registered for in a semester and describe his overall performance in that semester. If the grade points associated with the letter grades awarded to a student are g_1, g_2, g_3, g_k etc. and the corresponding credits are c_1, c_2, c_3, c_k , the SPI shall be given by:

$$SPI = \frac{c_1g_1 + c_2g_2 + c_3g_3 + \dots + c_kg_k}{c_1 + c_2 + c_3 + \dots + c_k} = \frac{\sum_{i=1}^k c_i g_i}{\sum_{i=1}^k c_i}$$

14. Cumulative Performance Index(CPI)

The Cumulative Performance Index (CPI) shall indicate the overall academic performance of a student in all the courses registered up to and including the latest completed semester/ summer term. It shall be computed in the same manner as the SPI, considering all the courses (say, n), and shall be given by.

$$\text{CPI} = \frac{\sum_{i=1}^n c_i g_i}{\sum_{i=1}^n c_i} = \frac{\sum_{j=1}^m \text{TC}_j (\text{SPI})}{\sum_{j=1}^m \text{TC}_j}$$

Where TC_j is total credits of j semesters, and m is number of semesters completed.

Whenever a student is permitted to repeat or substitute a course, the new letter grade, if better, obtained shall replace the old letter grade in the computation of CPI.

For courses under CBCS scheme, all the courses in which a student registers in a semester, excluding those in which the student gets an F grade will be considered while calculating the SPI/CPI. The SPI/CPI shall indicate the overall academic performance in the courses cleared up to that semester.

15. **Grade Report Card**

The Grade Report Card may be issued to each student at the end of each academic year. The duplicate copy of the Grade Report Card or the Transcript Card, if required can be obtained on payment of prescribed fee.

16. **With holding Grade Report Card**

17. **Promotion to Subsequent Year of Study**

(a) Promotion to subsequent year shall be made as mentioned below:

A student must obtain 50% credits offered during that academic year with a minimum of 5.5 CPI to get promoted to next year. However, if anyone is debarred from the complete semester, he/ she will not be promoted.

(i) A student with F Grade has to repeat the relevant subjects in the summer term to clear them with improvement in his CPI to move into next year of study. If it is perceived that it will not be sufficient to attain the desired result/CPI, the student may be allowed to repeat one or more subjects (with C and/or P grades) by the HOD/ Dean-Academic Affairs so that he may attain the desired CPI to move into the next year of the study. However, any student who has dropped/ deemed to drop a Semester shall not be permitted to register for the courses of that Semester in the Summer-Term.

Further, all such candidates whose CPI is below 5.50 may also be allowed to register in summer term if they so desire to improve their CPI. However, total number of subjects to be allowed in summer term will be such that the total credits for them do not exceed 16, unless and until permitted by the committee constituted for the purpose by the Vice-Chancellor in genuine cases and in unprecedented circumstances, and no course where the candidate has obtained grade better than C will be repeated.

(ii)The student of Diploma Program should obtain a minimum CPI of 5.00 to move to the next higher year of Program and the students of all degree Programs should obtain a minimum CPI of 5.50 to move into the next higher year of Program, provided the student does not have F grade in any of the laboratory subject.

(iii)If the student is not able to move into subsequent year of study due to non-attainment of requisite minimum CPI, he shall have to repeat subjects with F grade (along with subjects with C and P grades, if required) in semesters of next year in which these are offered so as to clear them with improvement in his CPI to move into next year of study.

(iv) A student of first year who could not obtain required CPI for promotion to second year of his Program of studies for two consecutive years will be declared unfit for the Program and disqualified for that particular Program.

(v)A student having backlog of first year will not be promoted to third year and a student having backlog of second year will not be promoted to fourth year till he clears his backlogs.
