2026

Annual Conference

of the U.P. Chapter of
Indian Academy of Tropical Parasitology (IATP)

From Sangam to Globe: The Evolution of Medical Parasitology

3rd & 4th July 2026

Organizing Chairperson
Dr. Saumya Singh
Professor & Head

Organizing Secretary
Dr. Devesh Sharma

Co-organizing Secretary
Dr. Brij Nandan Singh

DEPARTMENT OF MICROBIOLOGY, UNITED INSTITUTE OF MEDICAL SCIENCES, PRAYAGRAJ

ABOUT 7th UP-TROPACON-2026

Indian Academy of Tropical Parasitology was started by Dr. S.C. Parija, Former Director, JIPMER, Pondicherry, Former Vice Chancellor Shri Balaji Vidyapeeth, Pondicherry, Professor Emeritus, National Academy of Medical Sciences, New Delhi along with seven founder members in the year 2007 with the aim and objective of promoting research activities in the field of parasitology and covering basic aspects of protozoology, helminthology and Entomology of tropical importance and which are of interest to medical investigators, veterinary practitioners, zoologist and others with special interest in tropical parasitology.

7th Annual conference of the State U.P. chapter of the Indian Academy of Tropical Parasitology (IATP) marks another significant milestone in the academic journey of the Academy. The aim of the U.P. Chapter of IATP is to enhance the knowledge and research capabilities of microbiologists, parasitologists, and medical professionals working in the field of tropical parasitology; to bring together academicians and researchers across the state for meaningful scientific exchange; and to foster professional development through conferences, workshops, and collaborative activities.

Over the years, several academic programs and conferences have been conducted in various medical colleges and institutions across Uttar Pradesh, contributing significantly to the growth of parasitology as a specialty. Senior academicians and researchers have played a pivotal role in strengthening the chapter and advancing the objectives of IATP.

With growing participation and enthusiastic involvement of members, the U.P. Chapter continues to expand its academic footprint and remains committed to promoting research, innovation, and excellence in tropical parasitology.

ABOUT COLLEGE

United Institute of Medical Sciences (UIMS) is a premier medical institution functioning under **United University**, located in Prayagraj, the cultural and educational heart of Uttar Pradesh. With a 1000-bedded, multi-specialty teaching hospital, UIMS stands as a dynamic centre of excellence in medical education, research and patient care.

Established in 2020 as the first private medical college in Prayagraj, UIMS represents a bold step toward advancing healthcare and medical learning in the region. Spread across a sprawling ten-lakh square feet lush green campus, the institute boasts state-of-the-art infrastructure, advanced laboratories, modern lecture theatres, smart classrooms and cutting-edge clinical facilities creating an ideal ecosystem for nurturing future medical leaders.

Since admitting its first MBBS batch in 2020, UIMS has been committed to shaping competent, compassionate and ethically driven doctors who serve the nation with dedication and excellence. In a short span of time, the institution has achieved significant milestones. Demonstrating its growing academic stature, UIMS proudly organized two landmark State conferences in Anatomy (2023) and ENT (2024). UIMS also proudly celebrates the significant achievement of securing Postgraduate (P.G.) seats in the Departments of Physiology, Pathology, Microbiology, ENT, Orthopaedics, Psychiatry, Anaesthesiology, Ophthalmology, Radio diagnosis, Medicine, Surgery and Dermatology. This milestone reflects the institution's unwavering commitment to academic excellence and quality medical education. The college is now ambitiously progressing toward obtaining P.G. seats in additional clinical specialties and super speciality branches further strengthening and expanding its academic portfolio.

Strategically located at Rawatpur near Jhalwa, in close proximity to Prayagraj Airport, UIMS offers seamless connectivity by air, rail and road making it easily accessible from across the state and the country.

With its vision rooted in excellence, innovation and service, UIMS continues to rise as a distinguished hub of medical education and healthcare delivery

ABOUT DEPARTMENT

*Left to right (Sitting row); Dr.Rajan ,Dr.Brij Nandan, Prof. Dr.Saumya ,Prof. Dr.Devesh ,Dr.Amrita ,Dr.Nandlal
Left to right (Standing Row):Dr.Priyesh ,Dr.Tanya,Ms Pratima,Ms Arhama*

MICROBIOLOGY DEPARTMENT – BRIEF NOTE

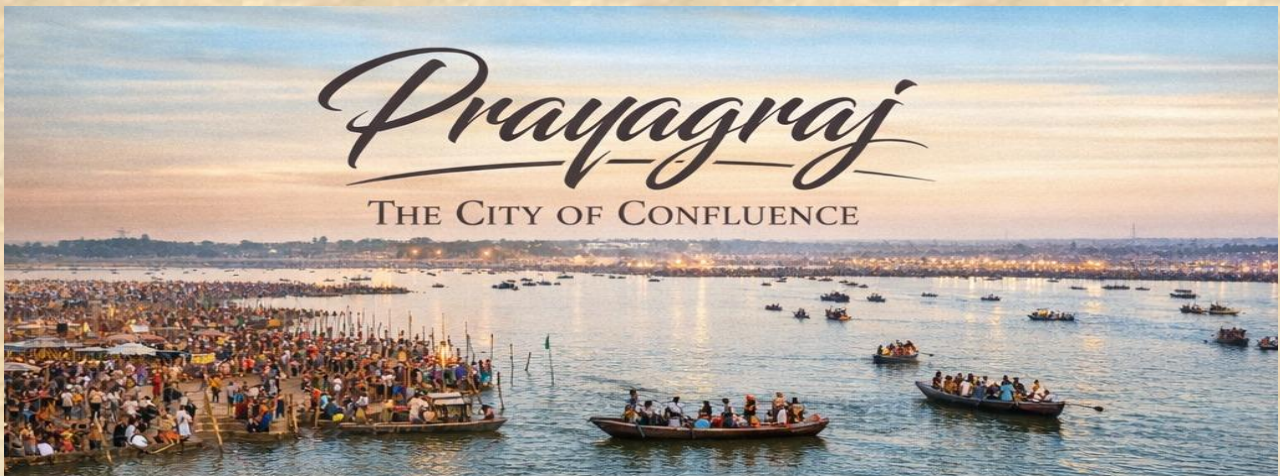

The Department of Microbiology provides essential laboratory diagnostic services to support patient care and Hospital infection control activities. The department of Microbiology in the United Institute of Medical Sciences is led by Prof. Dr.Saumya Singh

The department performs routine and special investigations for the diagnosis of bacterial, viral, fungal and parasitic infections, including microscopy, culture & sensitivity testing and serological tests. Reports are issued in a timely manner to assist clinicians in patient management.

The department actively supports the Hospital Infection Control Program through surveillance of hospital-acquired infections, monitoring of antimicrobial resistance, hand hygiene audits and assistance during outbreak situations. Teaching and training activities are conducted for undergraduate students, postgraduate students, interns, nursing staff and allied health personnel as per institutional requirements.

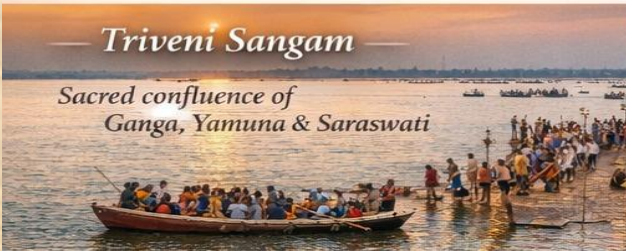

All laboratory work is carried out in accordance with established biosafety guidelines, standard operating procedures and biomedical waste management rules. Quality control measures are routinely followed and the department participates in external quality assurance programs.

ABOUT PRAYAGRAJ

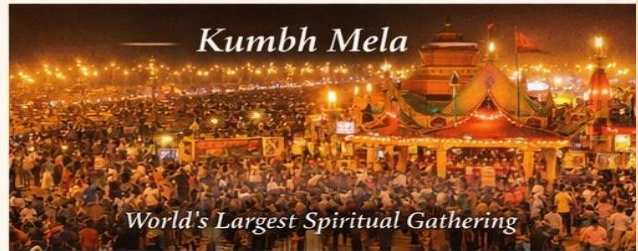

— Triveni Sangam —

Sacred confluence of
Ganga, Yamuna & Saraswati

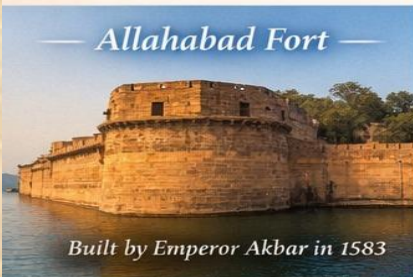

— Kumbh Mela —

World's Largest Spiritual Gathering

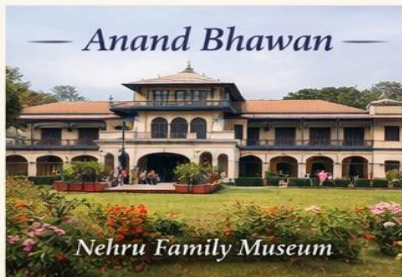

— Allahabad Fort —

Built by Emperor Akbar in 1583

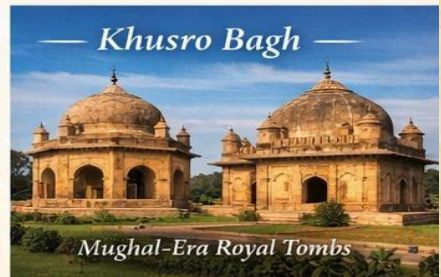

— Anand Bhawan —

Nehru Family Museum

— Khusro Bagh —

Mughal-Era Royal Tombs

— Cultural & Spiritual Heritage —

Temples, Aarti & Local Markets

Prayagraj unfolds like a sacred poem written upon the waters of eternity. At the revered **Triveni Sangam** where the gentle Ganga and graceful Yamuna merge with the mystical Saraswati, visitors witness a sight both serene and soul-stirring. At dawn, golden sunlight shimmers across the rippling currents as pilgrims offer prayers that drift like blossoms upon the stream, while evening aarti bathes the riverbanks in a luminous glow of faith.

The majestic **Allahabad Fort** stands sentinel along the sacred banks, its ancient ramparts echoing tales of Mughal splendour and centuries of history. Boat rides across the confluence offer tranquil panoramas, where sky and water blend into a horizon of quiet wonder.

The city's historic charm extends into its verdant avenues and timeless landmarks. **Chandrasekhar Azad Park**, formerly Alfred Park, spreads like a green sanctuary in the heart of the city — a place of reflection and remembrance where the freedom fighter Chandrasekhar Azad made his heroic last stand. Nearby lies the serene beauty of **Khusro Bagh**, a magnificent Mughal garden housing exquisitely crafted sandstone mausoleums, where silence carries whispers of royal legacy.

Adding to the city's rich narrative is **Anand Bhawan**, the ancestral home of the Nehru family. Now a museum, it preserves rare photographs, personal belongings, and memories of India's freedom movement — offering visitors a profound glimpse into the making of a nation.

During the awe-inspiring **Kumbh Mela**, Prayagraj transforms into a vibrant spiritual cosmos — an extraordinary gathering where devotion, colour, culture, and humanity converge in spectacular harmony. Ascetics in saffron, devotional hymns in the air, and illuminated tents stretching endlessly along the riverbanks create an experience unparalleled in the world.

Beyond its sacred aura Prayagraj delights travellers with bustling bazaars, traditional North Indian flavours, colonial-era architecture, and an atmosphere where every street tells a story.

To visit Prayagraj is to step into a living epic — where rivers carry legends, gardens guard history, and every sunset leaves an imprint of timeless wonder upon the soul.

Come, immerse yourself in the **spiritual serenity, cultural richness and timeless charm of Prayagraj** and explore a city where faith, history, and heritage converge in perfect harmony.

CHIEF GUEST

PROF. DR. SUBHASH CHANDRA PARIJA

Former Director, JIPMER, Pondicherry
Former Vice Chancellor, Shri Balji Vidyapeeth, Pondicherry
Professor Emeritus, National Academy of Medical Sciences, New Delhi.
President, Indian Academy of Tropical Parasitology

Message

Greetings to all member of the UP Chapter of the Indian Academy of Tropical Parasitology.

I am delighted to learn that the 7th Annual Conference of the State UP Chapter of the IATP (**UP-TROPACON 2026**) will be held in the Department of Microbiology, United Institute of Medical Sciences (UIMS), Prayagraj on 3rd and 4th July 2026. The conference will be held under the strong and dynamic leadership of Dr. Saumya Singh, Professor and Head, Department of Microbiology, UIMS, Prayagraj, UP.

UP -TROPACON 2026 is planning to host academic programme, with a theme on *From Sangam to globe: The evolution of Medical Parasitology*. The programme will include newer developments in epidemiology and public health in the field of parasitology. **UP -TROPACON 2026** will also include Work shop, Guest lectures, Oral Paper and Poster presentations etc among others. I am confident that the academic programmes will provide platform for all the participants including the postgraduates as well as the faculties pursuing their interest in parasitic infections. I wish that all the members of the UP Chapter will actively participate in all the academic activities.

I wish the conference all the best and success.

Dr. S Geethalakshmi

Vice Chancellor, Dr.M.G.R Educational and Research Institute
Former Vice-Chancellor, The Tamil Nadu Dr.M.G.R. Medical University
Vice-President, Indian Academy of Tropical Parasitology

Message

It gives me immense pleasure to convey my best wishes for **UP-TROPACON 2026** being organized at the United Institute of Medical Sciences, Prayagraj. Conferences like TROPACON provide an excellent platform for academicians, clinicians, researchers and students to come together, share knowledge and discuss recent advances in the field of tropical parasitology.

I extend my warm greetings to all delegates and appreciate the organizing team for their dedicated efforts in hosting this important academic event. I am confident that the deliberations and scientific interactions during the conference will contribute significantly to strengthening research, diagnosis and control strategies for parasitic diseases.

I wish UP-TROPACON 2026 great success and a highly enriching experience for all participants.

PROF. DR. UJJALA GHOSHAL

Professor & Head
Department of Microbiology
AIIMS, Kalyani, WB
Immediate Past President IATP, UP & UK Chapter
Secretary, Indian Academy of Tropical Parasitology

Message

UP TROPACON 2026 is set to celebrate excellence in Clinical Parasitology and our endeavour is to make it a truly memorable academic gathering hosted at the United Institute of Medical Sciences, Prayagraj. The conference will bring together renowned national and state experts, researchers and academicians in the field of parasitology.

With the theme “**From Sangam to Globe: The Evolution of Medical Parasitology**,” the conference aims to highlight the journey of parasitology from traditional foundations to modern global perspectives. Delegates will gain valuable insights into recent advances, emerging challenges, and innovative diagnostic approaches in Neglected Tropical Diseases and parasitic infections.

From engaging in stimulating scientific deliberations to presenting your own research, from networking with peers and experts to experiencing the cultural and spiritual heritage of **Prayagraj—the land of the sacred Sangam**—this conference promises a rich and rewarding academic experience.

We warmly look forward to your presence along with your family and colleagues, and seek your active participation to make **UP TROPACON 2026** a truly enriching and memorable event.

PROF. DR. TUHINA BANERJEE

Professor & Head
Department of Microbiology
Institute of Medical Sciences
BHU, Varanasi
President, IATP UP-Chapter

Message

It gives me immense pleasure to welcome you to **UP TROPACON 2026**, being hosted at the United Institute of Medical Sciences, Prayagraj. This conference will serve as an important platform for academicians, researchers, and clinicians to come together and share their knowledge, experience, and recent advancements in the field of Medical Parasitology.

Under the theme “**From Sangam to Globe: The Evolution of Medical Parasitology**,” **UP TROPACON 2026** aims to highlight the remarkable journey of medical parasitology—from its traditional roots to modern global perspectives.

I am confident that the scientific sessions, discussions and interactions during **UP TROPACON 2026** will provide valuable insights and foster meaningful collaborations among delegates. I congratulate the organizing team at **UIMS, Prayagraj** for their dedicated efforts in hosting this prestigious event.

I warmly invite all delegates to actively participate and make this conference a great academic success.

PROF. DR. MANODEEP SEN
Professor
Department of Microbiology
RMLIMS, Lucknow
Secretary, IATP UP-Chapter

Message

I am pleased to extend a heartfelt invitation to you for **UP TROPACON 2026**, a conference organized by the Indian Academy of Tropical Parasitology (IATP), UP Chapter. The event will be held on **3rd & 4th July 2026** at the **United Institute of Medical Sciences (UIMS), Prayagraj**, Uttar Pradesh.

The conference reflects the remarkable journey of medical parasitology from foundational discoveries to its expanding role in global health. It emphasizes the importance of scientific collaboration, innovation and research in advancing our understanding of parasitic infections and improving strategies for their diagnosis, prevention and control.

We warmly encourage members, researchers, clinicians and postgraduate students to actively participate and present their research and experiences.

The organizing committee at **UIMS, Prayagraj** has made dedicated efforts to ensure a meaningful and enriching academic experience for all participants. I am confident that this conference will serve as an excellent forum for sharing knowledge, fostering collaborations, and advancing the field of Clinical Parasitology.

INVITATION

PROF.DR.SAUMYA SINGH

Organizing Chairperson

Professor & Head

Department of Microbiology

United Institute of Medical Sciences, Prayagraj

Dear Delegates,

United Institute of Medical Sciences, Prayagraj, is organizing the **UP TROPACON 2026 – 7th annual conference of U.P. State chapter of IATP with theme “From Sangam to Globe :The evolution of Medical Parasitology”**. It gives us immense pleasure to invite a galaxy of versatile intelligentsia of Microbiologists **from Uttar Pradesh and across the nation** for this prestigious conference to be held on **3rd and 4th July 2026**.

The conference will feature **two academically enriching days** comprising workshops, guest lectures, scientific sessions and parasitology research paper presentations, posters, Quiz and much more. The conference aims to provide an excellent platform for the exchange of knowledge, ideas and recent advances in the field of **Medical Parasitology**.

The scope and quality of scientific exchange will make this conference an **elite academic event in Parasitology**. Your active participation will be crucial to the success of the conference and its impact on parasitology research. We assure our commitment to providing our guests and delegates a **memorable academic experience** in the form of Guest lectures, poster presentations, scientific sessions, Quiz and interaction with renowned parasitologists, complemented by a pleasant social gathering. We hope that despite the intensive scientific program, you will be able to experience the **pious city of Prayagraj**, which beautifully blends diverse culture, rich history, delicious cuisine and fascinating places to visit. We sincerely hope that you will enjoy the conference and your stay. So, let us come together and be a part of this **Triveni of knowledge, Professional skill and excellence in Parasitology**. Your participation will be humbly awaited.

INSTRUCTIONS FOR ABSTRACT SUBMISSION

UP-TROPACON 2026

7TH Annual Conference of U.P.State Chapter of Indian Academy of Tropical Parasitology

ABSTRACT FORM FOR ORAL (AWARD ☐ Free ☐) / POSTER ☐

Title:
Name (Presenting Author Underlined), City
Not more than 250 words: a)Background & objective b)Methodology c)Result d)Conclusion

Name & Designation of Presenting Author

Address for Correspondence.....

Telephone/Mobile.....

E-mail.....

Guidelines for Abstract Submission:

Abstracts are invited for "Oral paper presentations for scientific work done in the field of Medical Parasitology.

Abstracts are invited for "Poster presentations based on the theme of "From Sangam to globe: The Evolution of Medical Parasitology" or work done in the field of Medical Parasitology

The papers must not have been published elsewhere/presented in any other conference

The body of abstract should include Background and Objective , Methodology,Result & Conclusion.

The abstract must not exceed 250 words in length & should be in Times New Roman format and font size. Abstract format: MS Word format (DOC, DOCX); No abbreviations

For Case reports: Introduction, Case Management and Conclusion

Do not include Pictures, Tables and Charts within the abstract.

The presenting author's name must be underlined and he/she must register for the conference. Details of the presenting author including his/her email id for further communication should be clearly mentioned.

For Abstract Submission: Email: uimsuptropacon26@gmail.com

Last date of abstract submission: 10th June 2026

Last date for PPT (oral):25th June 2026

Oral and poster : Guidelines for poster and oral presentation

***ORAL PAPER PRESENTATION**

1. Duration

Total Time Allotted: 10 minutes per presenter (8-minute presentation ,2-minute Q&A session)

Note: It is essential to stay within the time limit. Going over time may result in your presentation being cut off or limited Q&A

Recommendation: Aim to finish your main content in 7-8 minutes, allowing a buffer for transitions or unexpected delays

2.Design & Formatting Guidelines

Aspect Recommendation: Slide ratio- 16:9 (widescreen), Font style Times New Roman, Font size Title 32-40 pt:

Content 20-24 pt

Bullet points, Max 6 per slide, Images/Graphs - Prefer visuals over text-heavy slides, Animations Minimal, clean transitions only

PowerPoint should be prepared using the given template

Kindly DO NOT mention your name or affiliation anywhere in the PowerPoint

***POSTER PRESENTATION**

1. Duration

Total Time Allotted: 10 minutes per presenter

2. Design & Formatting Guidelines

Poster title should be displayed prominently at the top of the poster with the author & co-author names and affiliations.

Registration number and Abstract ID should be displayed in the top left corner.

The text should include Background, Objective, Methodology, Results, Conclusions & Acknowledgements with appropriate images.

The poster should be self-explanatory. The text should be brief and well-organized.

Posters must be printed on 3'x4' size paper only in Portrait layout. Any other size posters will not be allowed. The typeface chosen should be a simple and clear one (Times New Roman).

Colour Suggestions:

Use of light backgrounds (white, yellow, light blue) using dark fonts (black, navy blue, dark green) is suggested. Avoid using dark backgrounds as they are difficult to read.

Invitation of abstracts for oral presentation award category:

Eligibility criterion for oral paper award:

- a) The presenter has to be a students & member of IATP and UP chapter of IATP registered for the conference.**
- b) The paper shall be related to parasitology.**
- c) The paper shall be original research work and not based on case report/case series.**

Travel Grant Award – Smt. Radha Mukherji for students attending a Parasitology Conference

- *Smt. Radha Mukherji strongly believed in and dedicated her life for the welfare of women's education.*
- *To encourage the participation of students, “**Smt. Radha Mukherji Travel Grant Award**” has been instituted.*
- *A travel support of **maximum up to Rs. 2000/- (INR)** via **3rd AC**, along with a certificate for the same, will be provided to **one student delegate**. Interested students may apply for the Travel Grant Award.*
